

## PROCOUNTOR FINANCIALS - PRICE LIST

### THE PRODUCT VERSION'S FUNCTIONS AND MONTHLY FEES

Procountor Financials is now available in the versions Lite, Lite+ Basic, Plus and Premium. There is also an **Enterprise**-version according to a separate offer, from 1890 SEK/month. Versions contain different comprehensive functions. The desired product version is selected in the process of creating a Procountor-environment; the version can also be changed. Regardless of the version more comprehensive functions can be added at an additional cost. Procountor Financials has no user-based fees. An unlimited number of user accounts can, without cost, be created for users at the customer company and their eventual accounting office.
